## Stanza 2

Son of God and son of man  
who  
Came to darkness bringing  
light;  
All the fullness of God's  
glory,  
Living faultless sacrifice.  
Suffering as the price of  
justice,  
Pleasing for the wrath of  
God  
And achieving man's  
redemption  
In the plan before the fall.

## Stanza 3

Christ the sacrificial  
offering  
Substituted for mankind;  
He has conquered death  
victorious.  
Praise the God who is  
alive.  
Mercy triumphed over  
judgment;  
Justice bowed to God's  
own Son.  
Christ the resurrected  
offering  
Seated at the Father's  
throne.

## Stanza 4

Great fulfillment of the  
law;  
In Christ we stand now  
reconciled.  
Brought to life these vile  
offenders;  
Now we await him to  
arrive.  
In the power of the Spirit,  
Through the blood of  
Christ we're free.  
Now the Father looks upon  
us;  
Grace defeats depravity.
