

How Great the Savior's Love Poured Out

Jonathan Jones

Voice

How great the Sa - vior's love poured out. For sin - ners, sav - ing grace a -
bounds. God's jus - tice was ac - com - plished when the cross be - came the price for
sin. The Fa - ther's wrath was pleased that day when his Son took sin a - way. The cross, for
man, does speak his grace and emp - ties sin to have no place, and emp - ties sin to have no
place.

Stanza 2

In Christ I'm found; in him I live.
Bought by blood and freed from sin.
The cross alone stands in my place.
For sins atoned, my debt is paid.
I need not plea for any guilt.
His blood is ransom for my sin.
My defense, my argument,
Is the death of Christ the Lord.
It is the death of Christ the Lord.

Stanza 3

And when before him I shall stand
And at last shall see his face,
His hands and feet will speak for me,
And resurrected I shall be.
And I should linger Heaven's tour
To worship Christ the one adored,
And ever shall I be amazed
At Christ the King and risen Lord,
At Christ the King and risen Lord.
